

International Scientific Round Table

STRATEGIC ORIENTATION OF SMALL AND LARGE ENTERPRISES IN OVERCOMING ECONOMIC CHANGE DURING AND AFTER COVID-19

examples of good practises

23th of March 2022

Call for Participation

AREMA, Academy for logistics and management is pleased to issue this call for papers and expressions of interest in the STRATEGIC ORIENTATION OF SMALL AND LARGE ENTERPRISES IN OVERCOMING ECONOMIC CHANGE DURING AND AFTER COVID-19 International round table to be held on 26th of March 2022 on-line via ZOOM application.

Mission

The main purpose of our round table will be to create a platform for professional discussion, supported by a wide range of topics arising from social and economic activities, both in terms of economy, management, leadership, organization and implementation of these.

With particular emphasis on strategic orientation, this international event will provide opportunities for collaboration, mentoring, sharing and exchanging ideas.

Round table Objectives

-  Celebrate the courage, creativity, strength of conviction and humanity of socially responsible leaders and their capacity to leave a lasting legacy impacting the future development of communities and organizations across the world.
-  Inspire innovation and stimulate opportunities for managers to create a sustainable strategies for enterprises to subsist in global economic market.

- Build bridges and encourage collaboration between students and their professors and managers.
- Create a synergistic, inspirational and motivational environment enabling ethical, unique and dynamic debate.
- Affirm AREMA's commitment to educating students globally for and about strategic and economic orientation of enterprises which persist in global market.

Submission of Articles

Deadline for Articles: All articles must be submitted on or before **March 10, 2022**.

Note: All articles must be submitted online.

Submissions must be original. Presentation of in-progress research also is encouraged, as well as collaborative projects between students and faculty, universities and communities, and among students.
