

In accordance with the provisions of the Higher Education Act (ZViS-1, Official Gazette of the Republic of Slovenia, No. 56/25) and pursuant to Article 35 of the Statute (consolidated text UPB10), the Senate adopted the following on 13 September 2025:

RULES ON THE EUROPEAN STUDENT IDENTIFIER

Article 1

(subject matter of the Rules)

These Rules regulate the acquisition, use and protection of the European Student Identifier (hereinafter: ESI) at AREMA – Academy of Logistics and Management (hereinafter: the Academy).

Article 2

(legal basis)

These Rules are adopted pursuant to the Higher Education Act (ZViS-1, Official Gazette of the Republic of Slovenia, No. 56/2025), the Statute of the Academy and other regulations governing the European Education Area and students' digital identity.

Article 3

(acquisition of the identifier)

(1) A student of the Academy shall obtain the European Student Identifier upon enrolment in a study programme, simultaneously with registration in the eVŠ records.

(2) The identifier is unique, permanent and linked to the student's institutional enrolment number.

(3) The identifier shall be used in all information systems supporting the European Education Area.

Article 4

(use of the identifier)

(1) The ESI enables students to access the Academy's digital services (study portals, library, e-learning and administrative services).

(2) The ESI shall also be used for international mobility, joint study programmes, Erasmus+ exchanges and other forms of cooperation within the European Education Area.

(3) The Academy shall provide the technical and organisational conditions necessary for the use of the ESI in all relevant procedures.

Article 5

(protection of personal data)

(1) The European Student Identifier contains personal data which shall be processed in accordance with personal data protection legislation and the Academy's internal regulations.

(2) The Academy shall ensure an appropriate level of security, accessibility and integrity of data associated with the use of the ESI.

Article 6

(competent authority)

The President of the Academy shall be responsible for the implementation of these Rules and may authorise the professional services and information-system administrators to perform the relevant tasks.

Article 7

(final provisions)

These Rules shall enter into force on the date of their adoption by the Senate of the Academy and shall be published on the Academy's website.
